COUNSELOR'S CORNER

"I enjoy working with each and every camper. I feel that God has given me the ability to teach the fundamentals of basketball to young learners. There is nothing more satisfying, whether it be winning a big game, making the buzzer beater, or a championship, nothing is more satisfying than seeing a camper happy when they accomplish a skill. I feel that my duty as a counselor is to get the best out of each camper everyday on the court and off". Byron Wimphrie

"I have attended and worked with Coach Wimphrie's basketball camps for several years, and each day of those weeks is a blast! The kids love the camps and are learning to play smarter basketball and show great sportsmanship."
Whitney Wright
