"The Fundamentals Camp is a very competitive camp. This camp focuses on building fundamentals, and teaching skills that can make young players better basketball players. The Fundamentals Camp equips the young campers with drills and the opportunity to learn the concept of teamwork. As a counselor, I always try to tell the youngsters to not be discouraged because they can't develop their skills over night, but overtime they can become good."

Byron Wimphrie, SWU '09 Graduate

"Fundamentals First Camp reinforces fundamental skills to aid players in their efforts to become better at basketball. As a camp counselor I can say that Fundamentals First Camp is beneficial to all who attend."
